## MSc in Health and Social Care Management

| Credits | Awarding body | Delivery mode |
|---------|---------------|---------------|
|         | OTHM, UK      | Online        |

This programme is designed to support existing or aspirant leaders to develop their knowledge and understanding of leadership theories and frameworks.

You will study modules that explore the concept of leadership from a personal, professional and organisational perspective. And you will develop your strategic thinking skills – gaining the knowledge and skills to generate and lead change within an organisational context.

The programme is taught in two stages including core modules which will specialist knowledge needed to advance their careers, or for graduates entering the tourism and hospitality sector. The final stage consists of 12000 word dissertation along with a programme manager and your supervisor who will be with you every step of the way.

### Mandatory Units

#### Stage 1:

- Health and Social Care Leadership
- Managing People in Health and Social Care
- Managing Finance in Health and Social Care
- Health and Social Care Strategies and Policies
- Leading Change in Health and Social Care

- Research Methods for Healthcare Professionals

(Successful completion of Stage 1 leads to progression to Stage 2)

**Stage 2:**

- Dissertation Project

- (Successful completion of Stage 2 leads to award of Degree by the university)
